TELCON

Sec Kissinger/George Meany
6/4/76; 3:19 p.m.

K: I just wanted to suggest to you if there is anything you can do to help the Spaniards to help them create a democratic labor movement.

M: I had a talk with him yesterday.

K: He told me.

M: We have some contacts. We think we can help.

K: He is worried about the Communists getting control of the labor units. I think he is sincere.

M: Okay. We will do what we can there. We are going to get a couple of guys to go in there after the ILO meeting.

K: Our message seems to be getting across.

M: It is but we have got this damn PLO thing. They have not given up. We have a good crowd there and they are working together.

K: Talk to you soon, George. Thank you.
